**for Aurora Public Schools Infinite Campus Parent Portal**

**Parent Agreement**

I am requesting to review my family's information on the Aurora Public Schools Parent Portal website. By signing this agreement I, as parent/guardian, release Aurora Public Schools from any and all liability for damages arising out of the unauthorized access to the Parent Portal account. I am giving consent to Aurora Public Schools to view my family's personal information on an encrypted password protected website. I agree to abide by the Infinite Campus Parent Portal Acceptance Use Policy and understand that, for the interest of security, the District reserves the right to change user passwords or deny access at anytime.

**Parents are required to adhere to the following guidelines:**

1. Parents will not share their passwords.
2. Parents will not attempt to harm or destroy data of their own, or another user, school or district network.
3. Parents will not use the portal for any illegal activity, including violation of privacy laws.
4. Parents will not access data or any account owned by another student.
5. Parents will not abuse their privilege of viewing their information by contacting teachers through e-mail.
6. Parents who are identified as a security risk will be denied access to the Parent Portal.

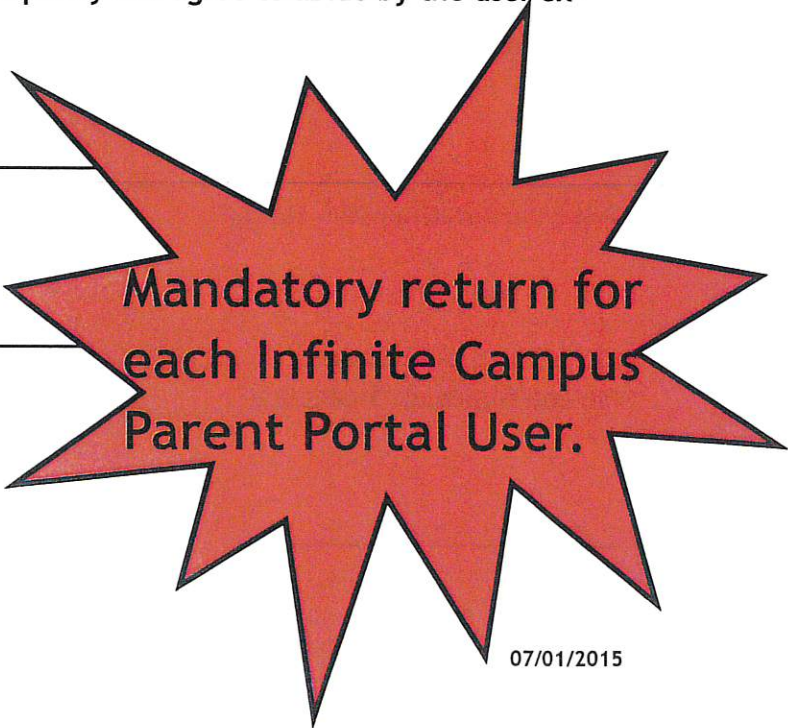

I understand that after three unsuccessful log-ins the system will prompt the user to select one of three choices: "Forgot your password", "Forgot your username", "Problems logging in." When you've made your selection the system will take the user through the steps needed to achieve your selection.

I have read the Parent Portal acceptance use policy and agree to abide by the user expectations.
