

Aurora Public Schools 2017-2018
Handbook and Student Technology Program Policy Consent Form

Please PRINT the following information:

Guardian Name (first & last): _____

Student Name (first & last): _____

Student Grade: _____

We understand that these policies cover the device(s) and accessories the student receives that are property of Aurora Public Schools described within for one student.

We verify that my device(s) is in good working condition

Please check only ONE box:

We **will** pay the school district's home use fee(\$35) that will allow my child to take the device and accessories off school grounds.

We **will not** pay the school district's home use fee and we understand that my student will not be allowed to take the device or accessories off school grounds.

We agree to comply with all stipulations contained within the following policies:

- The Student Handbook provided electronically on the student device.
- The Student Technology Program Policy, including the Student Acceptable Use Policy.

By signing this Consent Form, we (parent/guardian, student) have received and read the student handbook, which includes the policies and other rules and regulations of the Aurora Public Schools. Also with the respective signatures, we agree to release the School District from any liability for physical or emotional harm or damage resulting to the student that is caused by or stemming from unauthorized access or inappropriate use of technology resources.
